Yoga Center

Xinalani's unique yoga deck is set uphill amidst the deep jungle vegetation making practicing and learning a truly enriching experience. The Yoga Center has been tastefully designed to inspire peace as you look out upon gorgeous views of the jungle and ocean. With these spectacular surroundings our group practices promise to become quite a journey.

Dining Room

Three times a day we will gather for meals under the dining room umbrellas. The cuisine is vegetarian and may or may not include fresh fish and seafood. It is well balanced to support individual guests needs based on their physical activity. Xinalani's chef is open to special diet adaptations.
